Thank you...

- * MANY THANKS for all your support this term. I have really enjoyed my first term as your Head teacher. Working in partnership with you I believe we have achieved much already. Together we have: had an OPEN DAY attended by over 90 parents, grandparents and visitors, launched a new school website and enjoyed a number of fund raising and whole school activities. My aim or vision is for Long Lawford to be amongst the BEST SCHOOLS in Warwickshire and beyond. To achieve this I will continue to work in genuine partnership with you to do what is best for our school and children. This term is just a start and there is much more that needs to be done.
- * My thanks to Mrs. Mulholland, Mrs. Carr and Mrs. Patrick for a wonderful Christmas concert by the nursery children last week. I thought all the children did incredibly well, thanks to the hard work of all the staff concerned.
- * I was delighted to hear how well ALL our children behaved on the recent school Panto trip. The older children in particular were wonder-

ful in helping the younger ones. I also received super comments about Year 1 and 2's recent trip to Aston Hall. I feel it is so important that the children see themselves as ambassadors for the school when they are out on trips. Nothing pleases me more than when I receive good comments from staff and others about children and their conduct.

* **Some Dates: SCHOOL Reopens to ALL CHILDREN on Thursday 5th January. Please note that Reception (Mrs. Hetherington's class) will be going swimming on this day.**

* We currently have a vacancy for a Midday supervisor from the start of January 2006. This position involves 5 lunchtime sessions and equates to around 7 and a half hours a week. Please ask at the office for more details. Thank you

NOTE that the school is a NO SMOKING and NO dogs zone. Thank you.

NOTE that ALL visitors (and that includes parents and grandparents) should report to the office before coming into school. This guidance comes from the Local Education Authority and is in line with other schools in the area. Moreover such a measure is designed to KEEP ALL CHILDREN safe and surely that should be EVERYONE'S concern.

ENSURE that you have returned your Contact Details sheet. This sheet containing your up to date phone numbers and address is essential for the smooth running of the school. Thank you.
