## For your info...

- \* We continue to be without Mrs. Barber in the office. Unfortunately Mrs. Barber will not be back for at least 10 weeks. On Monday we have a lady from the Schools Finance department in Warwick coming out to support us for the day. In the meantime I would like to express my thanks to you all, everyone has been very patient and understanding.
- \* Thank you to Mrs. Street and Mrs. Crawshaw for organizing the BOOK FAIR. I have been delighted with your response and support. I think its fair to say that its been a tremendous success.
- \* Please note that you will soon receive a letter for you to make an appointment to meet with your child's class teacher on either Tuesday October 18th 3:15— 5pm or Wednesday October 19th 6— 8pm. These appointments will ALL be in the hall and the idea is to give you the chance to share how your child is settling into their new class. These sessions will be

**Would you like to advertise your business on this newsletter ? It goes out to around 200 parents! Interested? Please contact Mrs. Hallahan,**

quite short. That said, if you did want to discuss something at greater length, please do arrange to do so at another date. Again I would urge parents and guardians to try and attend one of these sessions if at all possible. Also at these sessions we will also be asking parents / guardians to check the contact information we currently have. One or two numbers we have at the moment seem to be out of date.

- \* Well done to the football team, who have enjoyed a good start to the season. The team recently drew 0,0 with Paddox and narrowly lost 2,1 against Dunchurch. Then at the recent football tournament at Bilton High School the team were JOINT WINNERS. Many thanks goes to Mr. Cooper who kindly gives of his time and expertise to both coach the team and organize the matches.

## Could you...

WE are looking to organize a Volunteers morning for a Saturday in November, hopefully the 5th. As you know the building is looking rather 'tired' in places and funds do not currently stretch to having any re-decorating done. That said, if parents, grand parents, guardians, friends and relatives are willing to give up a few hours I am sure we could get quite a lot of walls painted. The school would of course provide any materials (paint, brushes etc) and refreshments ( we could even

run to some chips!) and in return we would just need a few hours of your time. We would look to start around 9—9:30 am and finish at lunchtime. If anyone is willing to help please let either me or Mrs. Hallahan know.

We are also looking to organize an 'OPEN DAY'. The purpose of this day will be to invite parents, guardians, grand parents and members of the community into the school to celebrate school life. More details and a date to follow.

## And there's more...

I have recently spoken to a company about setting up a school website. Obviously we live in an age where the internet is used increasingly more for all sorts of things. I would like to raise the profile of the school by having a purpose built site. Having a website would also enable you to have a reference for school life and information. (e.g. Newsletters, diary dates, school events and policies.) More news to follow on what I think is an exciting project for the

school.

I believe some parents are interested in the school providing a cycling proficiency course. I think it's a terrific idea and one I will look into and back to you on.

Anyone with any other ideas please let me know. I am always ready to listen, especially if an idea can improve something at school.

**'Education is not the filling of the pail, but the lighting of a fire.'**

## Finally...

Mr. Cook ( Lauren's dad in Y1) is hoping to set up a football team for children in the village of Long Lawford.

If you are interested, please contact Mr. Cook on:

07849179048

In the foyer of the school (by the office) there is an information stand with lots of leaflets for you may be interested in. Do feel free to pick one up.

Many thanks
