Parent Hotline

Dear Parents

I am delighted to inform you that our school has introduced the **Parent Hotline** - a very useful "one number" telephone service, that will help you keep up-to-date with school events, school closures, and trips throughout the year, or lets you go straight through to the school office. Simply call:

Parent Hotline Number: **08447 70 75 76*** and enter our School ID: **49517**
We will be using this with immediate effect for:

- **General School Announcements**
For general information or emergency messages.

This is part of **School Trips Plus*** - a service developed in consultation with the National Confederation of PTAs and the National Association of Head Teachers - designed to help keep pupils safe and parents informed during school trips.

In future, you will be able to call into the service at any time to listen to messages on:

- **School Trips**
Including departure times, what to bring, safe arrival, trip activities and return times.
- **Daily Messages**
Keep up to date with other events such as sports fixtures, after school clubs, PTA events etc.

Kind regards

R. Morrissey
Head Teacher

* This is a Low Call rate – max 5p per minute from a BT landline. (Approximately 1p per minute more than a BT standard local call.) Other service provider charges will vary - in some cases these calls are often included in a call plan contract and are likely to be free.
