Summer 6

International Links - As part of our work to make the curriculum (what we teach) relevant and meaningful for the children we are looking at developing links with schools abroad. We are currently working with the Local Authority to make links with a school in China. It is clear that there are many benefits for children to be gained from such links, not least to help them develop economic, language and social global citizenship skills in a current and future global economy.

'Well done' - During the week the school received a visit by a Local Authority inspector to assess how our children in Year 2 are progressing. Such visits or moderations are the Local Authority's way of ensuring that teacher assessment of children's levels of attainment are fair and accurate. Parents and guardians will be pleased to hear that not only were our judgments supported, they were praised. A big well done and thank you to Mrs Barton and Mrs Crawshaw for all their hard work.

School Bank - If you would like your child to start their own savings account please see the staff in the school office for details. Our school bank operates on a Monday lunchtime from 12.30pm. If anyone would like to volunteer to help with the bank we would like to hear from you. You must be CRB cleared but this can be arranged through the school. Please speak to office staff. Thank you

FOLLS Summer Fair - Please note there is an error on the FOLLS newsletter - Dates for your diary - The Summer Fete will be held on **Friday 3rd July from 6.00pm-8.00pm not 4th July**. **Friday 3rd July** will also be a non uniform bring a bottle day. Please note that will be a FOLLS meeting next **Thursday 11th June** at 7pm at school.
