

## Welcome to Our Newsletter

**Building update** - next week the Senior Leadership Team will be visiting the new offices at the front of the building and planning furniture and how the main office can be as welcoming to parents, children and visitors as possible. In addition, the Senior Leadership Team will also be visiting the new classrooms that have been built and will be looking at room sizes and furniture needed to support children learning in a brand new environment. If parents would like to visit the new classrooms, please let the main office know and Mrs. Stringer will organise a visit in due course. The playground extension behind the porta cabin is well under way and should be completed by half term.

**Ofsted** - have been in! A separate letter has been sent out to you today regarding this. A copy is also available on the app.

**Lost Property** — Next Friday 1st February staff will put out uniform that has been lost / left behind. Could parents check this if they have lost anything.

**Swimming volunteers** - we urgently need swimming volunteers for Y1 & Y2 on Friday mornings. Please contact the school office or class teacher if you would like to help. You will be required to have a CRB check done and the school office can send you all the details on what you need to do regarding this.

Although the usual exclusion period is 5 days, all lesions should be crusted over before children return to nursery or school.

Please let the school know daily by 9.30am if your child will not be in.
