

RESPECT

Why should we show respect?

We should show respect because it would make the world a better place. It also makes you feel good and makes other people feel good.

What is respect?

Respect is caring about and not making fun of people's feelings, wishes, thoughts and opinions.

How should we show respect?

Treat other people the way you want to be treated. For example

listen to other people's opinions and ideas even if you disagree with them. Listen when someone's talking.

Understand that all people have different appearances, beliefs, opinions, likes and dislikes. Using kind words to speak to someone. Look after other people's things. Ask before you borrow something from someone and lots of other ways.
