Long Lawford
Primary School

Love, Learn, Persevere and Succeed

16th March 2020 5.30pm

Dear Families,

Following this evening's press conference from the Government, the new advice is that any family with symptoms should isolate all family members for 14 days. We urge all families to consider the temperature OR persistent cough of any family member and to follow the advice given. Further information regarding this will come out from the school tomorrow.

Yours sincerely,

Mrs. Claire Stringer
Headteacher
