KINGSWOOD RESIDENTIAL

Dear Families,

With the change in circumstances regarding COVID-19 and the updates from Central Government yesterday evening regarding "non-essential travel", I have taken the decision to postpone the residential and will rearrange it for Autumn term as discussed during our meeting last week.

The decision to postpone the residential has not been taken lightly. Alongside the advice to avoid non-essential travel, we are experiencing a high child absence and increasing numbers of staff self-isolating for a 14-day period.

I am keen for Year 5 to have this amazing Kingswood experience, and therefore will inform you of the new dates when confirmed. There will be no extra cost to yourselves, and hope you understand why this difficult decision was made. The children have been informed.

Yours sincerely,

Mrs. Claire Stringer
Headteacher
