

M Mathematics Mastery
Partner School 2019-20

Long Lawford
Primary School

Love, Learn, Persevere and Succeed

20th March 2020

Dear Families,

The username and password which has been shared with you which gives you access to Purple Mash, also gives your child access to a number of different resources. One of these is Microsoft Teams.

This has been set up by the school to allow teachers to share work with children and for children to share their work with their teachers. There is already work set which can be found on the school app and website. Work which has been completed by the children can be shared with their teacher using Teams.

Microsoft Teams has the option of video and audio calling. We will NOT be using this feature to contact the children and would ask that children do not try and contact teachers in this way. We are not able to turn this feature off so we appreciate your support with this.

If you wish to contact your child's teacher, please do so via the school office at admin2405@welearn365.com.

The welearn platform can be used to contact other children within the school and within Warwickshire. Children should be supervised if you wish them to allow them to use these features. All emails which are sent using the welearn platform are monitored.

Yours sincerely,

Mr Sutcliffe
Headteacher
