

Spring Term 2019

Friday 11th January 2019

Welcome to Our Newsletter

New build update: the builders have started plastering the new classrooms and we are looking at ordering some furniture for the children to use. Also, some asbestos was removed from the new admin office/main entrance over the holidays. You will now see more progress with the new entrance (due for completion in March 19). New build update addition - the playground extension has started (behind the portacabins). The children will have access to more playground at play and lunchtime soon!

SENCo: We are delighted to introduce Ms Andrews to our school community. Ms Andrews has made a great start already with SEN provision at Long Lawford, and is working with SLT to continue the work that has already been started. Ms Andrews can be contacted via the admin email address if you would like an appointment to discuss your child's needs should you wish. Contact information can be found on the school website.

Parking: Please can we remind parents and carers to be mindful with parking, particularly around drop off and pick-up times. There have been a few occasions where accidents have been narrowly missed. Please also be mindful of resident driveways and garage entrances, please ensure you do not block them as residents need to be able to come and go.

Social Media: Please can I remind Parents/Carers that school business is not to be discussed on social media. Please make an appointment with a member of staff to discuss any concerns you may have.

Parents Forum: Information regarding Parents Forum will be sent out next week. Thank you to those that have expressed an interest in being part of Parents Forum. If you would like to get involved, please pass your name to the Main Office.

Medication in school: should your child require medication to be administered in school hours (including calpol) please can you bring the medication to the main office. This includes any one-off medication that is not prescribed (eg calpol, nurofen etc). A medical consent form must be completed by parents and agreed by the senior leadership team before ANY medication can be administered. Medicine should not be sent into school with children. Thank you for your cooperation in this matter.

Star Worker & Star Person

Week Beginning 7th January 2019

Attendance for the last 2 weeks

Nursery	94.9%
Reception	97.0%
Year 1	97.6%
Year 2	96.0%
Year 3	96.2%
Year 4	96.4%
