Message from the Headteacher

Happy Friday! We have had a great end to the half term. I would like to thank you for supporting us over the past 8 weeks. We have had numerous process changes during this half term and you have supported our school to ensure we are #COVIDSAFE. Our attendance is just above the national target and currently sits at 96.8% which is fantastic given the current situation we find ourselves in. We have not had any positive COVID cases in our school this half term, and your continued use of the Government guidelines of Hands, Face, Space has meant that we have stayed #COVIDFREE. If your child feels unwell during the break from school, please do get a COVID test and inform school via e-mail.

I would like to thank my staff, who have gone above and beyond to keep our school running. This week our school have been recognised by the Rugby Rokeby Lions for all our hard work. Receiving recognitions makes us feel proud of all our work and school.

Thank you for sending in feedback and compliments, we do love to hear from parents and carers. If you do need to contact us, please use the following e-mail admin2405@welearn365.com or phone the main office on 01788 543332.

Online Safety

We want to make our Online Safety teaching as relevant as possible to all children in the school. We have created a short survey for parents to help us do this. There is also opportunity for parents to share any concerns they have which relate to Online Safety. Please remember there is always help available in school. To access the survey, scan the QR code with the camera on your phone. Alternatively, there are links on the app and website.
