

Long Lawford Primary School

Love, Learn, Persevere and Succeed

Wednesday 18th November 2020

Dear Families,

We are excited to tell you that the Scholastic Book Fair will be returning to school from **Monday 30th November until Monday 14th December 2020**. In order to ensure the safety of everyone in our community and follow the current guidance relating to Covid-19, we have taken the decision to run this year's Book Fair as a virtual event.

As well as offering a great variety of books for children throughout the school, the book fair helps to raise money for us to spend on reading resources in school. Up to 60% of the money you spend at the book fair comes back to us.

A pre-browse leaflet that contains all the different books that will be available on this year's books fair has been uploaded to the school app and website and children have been sent home with an order form. There are some fantastic new books as well as some classics waiting to be rediscovered.

As we will be unable to allow visitors into our Book Fair this year, we have put into place the following steps for people to place their orders;

Step 1: Complete the order form sent home with children (also available on the school app and website) with the details of the books you wish to buy.

Step 2: Follow the instructions on the order form to complete your payment via the Scholastic phone payment system or Scholastic vouchers. Please make sure you record payment references clearly.

Step 3: After payment, return your form to school with your child to give to their class teacher. Forms can be returned any time before the book fair but we ask they are returned to school by **Thursday 10th December 2020** – any forms returned after this date may not be able to be completed before the Christmas break.

Step 4: School staff will complete your order and send your books home with you child. We will aim to complete order before the Christmas break so please make sure your orders are returned to school as soon as possible.

Thank you in advanced for your support. The money we raise through our book fairs has helped to buy some fantastic resources that have supported the children learning.

If you have any questions, please get in contact.

Yours sincerely,

Mr S Watts
English Subject Leader
