

## **New Isolation Periods - UPDATE**

Dear Families,

A change in self-isolation rules were announced on Friday 11<sup>th</sup> December in a statement from the UK chief medical officers stating the period has changed from 14 days to 10 days with effect from Monday 14<sup>th</sup> December.

As a result, children can now return to school on the 14<sup>th</sup> of December **if this is their 11<sup>th</sup> day of isolating or more.**

Your child can return to school if:

- They are well
- Members of their household/bubble do not have symptoms of coronavirus
- They or members of their household/bubble are not awaiting a coronavirus test result (unless for screening without symptoms)
- If they have not been told they are positive for Coronavirus (in the last 10 days).

### **New Self-Isolation Period**

We have worked out new isolation periods for you to help make it easier and clearer for our families.

If you or your child develops symptoms, or either you or your child has a positive test (up to and including 24<sup>th</sup> December 2020) please email your child's name, class, symptoms and/or test result to [admin2405@welearn365.com](mailto:admin2405@welearn365.com). The school will check emails daily in the morning and will inform parents if their child has been a close contact to any positive case in their class. The school will communicate this information via email to parents. If you have recently changed your email address, or are not sure if the school has your email address, please contact the school as soon as possible.

Yours sincerely,

Mrs. Claire Stringer  
Headteacher
