

PSHE (Personal, Social, Health Education) Policy (including Relationships and Health Education statutory from September 2020, and our position on Sex Education)

Name of school	Long Lawford Primary School	
Date of policy	September 2020	
Member of staff responsible	Claire Stringer	
Review date	September 2021	

Context

All schools must provide a curriculum that is broadly based, balanced and meets the needs of all pupils. Under section 78 of the Education Act 2002 and the Academies Act 2010, a PSHE curriculum:

- Promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and
- Prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

PSHE

At Long Lawford Primary School, we teach Personal, Social, Health Education (PSHE) as a whole-school approach to underpin children's development as people and because we believe that this also supports their learning capacity.

The Jigsaw Programme offers us a comprehensive, carefully thought-through Scheme of Work which brings consistency and progression to our children's learning in this vital curriculum area. The overview of the programme can be seen on the school website.

This also supports the "Personal Development" and "Behaviour and Attitude" aspects required under the Ofsted Inspection Framework, as well as significantly contributing to the school's Safeguarding and Equality Duties, the Government's British Values aganda and the SMSC (Spiritual, Moral, Social, Cultural) development opportunities provided for our children.

Statutory Relationships and Health Education

"The Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019, made under sections 34

and 35 of the Children and Social Work Act 2017, make Relationships Education <u>compulsory</u> for all pupils receiving primary education... They also make Health Education <u>compulsory</u> in all schools except independent schools. Personal, Social, Health and Economic Education (PSHE) continues to be compulsory in independent schools."

DfE Guidance p.8

"Today's children and young people are growing up in an increasingly complex world and living their lives seamlessly both on and offline. This presents many positive and exciting opportunities, but also challenges and risks. In this environment, children and young people need to know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way."

"This is why we have made Relationships Education compulsory in all primary schools in England... as well as making Health Education compulsory in all state-funded schools."

"In primary schools, we want the subjects to put in place the key building blocks of healthy, respectful relationships, focusing on family and friendships, in all contexts, including online. This will sit alongside the essential understanding of how to be healthy."

"These subjects represent a huge opportunity to help our children and young people develop. The knowledge and attributes gained will support their own, and others' wellbeing and attainment and help young people to become successful and happy adults who make a meaningful contribution to society."

Secretary of State Foreword DfE Guidance 2019 p.4-5

"Schools are free to determine how to deliver the content set out in the DfE guidance 2019 in the context of a broad and balanced curriculum. Effective teaching in these subjects will ensure that core knowledge is broken down into units of manageable size and communicated clearly to pupils, in a carefully sequenced way, within a planned programme of lessons."

DfE Guidance p.8

"All schools must have in place a written policy for Relationships Education and RSE."

DfE Guidance p.11

Here, at Long Lawford Primary School we value PSHE as one way to support children's development as human beings, to enable them to understand and respect who they are, to empower them with a voice and to equip them for life and learning.

We include the statutory Relationships and Health Education within our whole-school PSHE Programme.

To ensure progression and a spiral curriculum, we use Jigsaw, the mindful approach to PSHE, as our chosen teaching and learning programme and tailor it to your children's needs. The mapping document: Jigsaw 3-11 and statutory

Relationships and Health Education, shows exactly how Jigsaw and therefore our school, meets the statutory Relationships and Health Education requirements.

This programme's complimentary update policy ensures we are always using the most up to date teaching materials and that our teachers are well-supported.

Jigsaw PSHE 3 -11/12 Content Overview

ge Group	Being Me In My World		Dreams and Goals	Healthy Me	Relationships	Changing Me
	Self-identity	Identifying talents	Challenges	Exercising bodies	Family life	Bodies
	Understanding feelings	Being special	Perseverance	Physical activity	Friendships	Respecting my body
ges	Being in a classroom	Families	Goal-setting	Healthy food	Breaking friendships	Growing up
3 E	Being gentle	Where we live	Overcoming obstacles	Sleep	Falling out	Growth and change
3-5	Rights and responsibilities	Making friends	Seeking help	Keeping clean	Dealing with bullying	Fun and fears
1-F2)		Standing up for yourself	Jobs Achieving goals	Safety	Being a good friend	Celebrations
Ages 5-6	Feeling special and safe Being part of a class Rights and responsibilities Rewards and feeling proud Consequences Owning the Learning Charter	Similarities and differences Understanding bullying and knowing how to deal with it Making new friends Celebrating the differences in everyone	Setting goals Identifying successes and achievements Learning styles Working well and celebrating achievement with a partner Tackling new challenges Identifying and overcoming obstacles Feelings of success	Keeping myself healthy Healthier lifestyle choices Keeping clean Being safe Medicine safety/safety with household items Road safety Linking health and happiness	Belonging to a family Making friends/being a good friend Physical contact preferences People who help us Qualities as a friend and person Self-acknowledgement Being a good friend to myself Celebrating special relationships	Life cycles – animal and human Changes in me Changes since being a baby Differences between female an male bodies (correct terminolo Linking growing and learning Coping with change Transition
lges 6-7	Hopes and fears for the year Rights and responsibilities Rewards and consequences Safe and fair learning environment Valuing contributions Choices Recognising feelings	Assumptions and stereotypes about gender Understanding bullying Standing up for self and others Making new friends Gender diversity Celebrating difference and remaining friends	Achieving realistic goals Perseverance Learning strengths Learning with others Group co-operation Contributing to and sharing success	Motivation Healthler choices Relaxation Healthly eating and nutrition Healthly eating and sharing food	Different types of family Physical contact boundaries Friendship and conflict Secrets Trust and appreciation Expressing appreciation for special relationships	Life cycles in nature Growing from young to old Increasing independence Differences in female and male bodies (correct terminology) Assertiveness Preparing for transition
	Setting personal goals	Families and their	Difficult challenges and achieving	Exercise	Family roles and responsibilities	How babies grow

Our PSHE policy is informed by existing DfE guidance:

- Keeping Children Safe in Education (statutory guidance)
- Respectful School Communities: Self Review and Signposting Tool (a tool to support a whole school approach that promotes respect and discipline)
- Behaviour and Discipline in Schools (advice for schools, including advice for appropriate behaviour between pupils)
- Equality Act 2010 and schools
- SEND code of practice: 0 to 25 years (statutory guidance)
- Alternative Provision (statutory guidance)
- Mental Health and Behaviour in Schools (advice for schools)
- Preventing and Tackling Bullying (advice for schools, including advice on cyberbullying)
- Sexual violence and sexual harassment between children in schools (advice for schools)
- The Equality and Human Rights Commission Advice and Guidance (provides advice on avoiding discrimination in a variety of educational contexts)
- Promoting Fundamental British Values as part of SMSC in schools (guidance for maintained schools on promoting basic important British values as part of pupils' spiritual, moral, social and cultural (SMSC)
- SMSC requirements for independent schools (guidance for independent schools on how they should support pupils' spiritual, moral, social and cultural development).

The Jigsaw Programme is aligned to the PSHE Association Programmes of Study for PSHE.

What do we teach when and who teaches it?

Whole-school approach

Jigsaw covers all areas of PSHE for the primary phase including statutory Relationships and Health Education. The table below gives the learning theme of each of the six Puzzles (units) and these are taught across the school; the learning deepens and broadens every year.

Term	Puzzle (Unit)	Content
Autumn 1:	Being Me in My World	Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.
Autumn 2:	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and understanding
Spring 1:	Dreams and Goals	Includes goal-setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society

Spring 2:	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise
Summer 1:	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss
Summer 2:	Changing Me	Includes Relationships and Sex Education in the context of coping positively with change

At Long Lawford Primary School we allocate at least 1 hour to PSHE each week in order to teach the PSHE knowledge and skills in a developmental and age-appropriate way. For children/classes that require more, teachers will teach more PSHE in order to meet the needs of the children in the class.

These explicit lessons are reinforced and enhanced in many ways:

- Assemblies and collective worship
- praise and reward system
- Learning Charter
- through relationships child to child, adult to child and adult to adult across the school.

We aim to 'live' what is learnt and apply it to everyday situations in the school community.

Class teachers deliver the weekly lessons to their own classes.

Relationships Education

What does the DfE statutory guidance on Relationships Education expect children to know by the time they leave primary school?

Relationships Education in primary schools will cover 'Families and people who care for me', 'Caring friendships', 'Respectful relationships', 'Online relationships', and 'Being safe'.

The expected outcomes for each of these elements can be found further on in this policy. The way the Jigsaw Programme covers these is explained in the mapping document: Jigsaw 3-11 and Statutory Relationships and Health Education.

It is important to explain that whilst the Relationships Puzzle (unit) in Jigsaw covers most of the statutory Relationships Education, some of the outcomes are also taught elsewhere in Jigsaw e.g. the Celebrating Difference Puzzle helps children appreciate that there are many types of family composition and that each is important to the children involved. This holistic approach ensures the learning is reinforced through the year and across the curriculum.

Health Education

What does the DfE statutory guidance on Health Education expect children to know by the time they leave primary school?

Health Education in primary schools will cover 'Mental wellbeing', 'Internet safety and harms', Physical health and fitness', Healthy eating', 'Drugs, alcohol and tobacco', 'Health and prevention', 'Basic First Aid', 'Changing adolescent body'.

The expected outcomes for each of these elements can be found further on in this policy. The way the Jigsaw Programme covers these is explained in the mapping document: Jigsaw 3-11 and Statutory Relationships and Health Education.

It is important to explain that whilst the Healthy Me Puzzle (unit) in Jigsaw covers most of the statutory Health Education, some of the outcomes are taught elsewhere in Jigsaw e.g.emotional and mental health is nurtured every lesson through the Calm me time, social skills are grown every lesson through the Connect us activity and respect is enhanced through the use of the Jigsaw Charter.

Also, teaching children about puberty is now a statutory requirement which sits within the Health Education part of the DfE guidance within the 'Changing adolescent body' strand, and in Jigsaw this is taught as part of the Changing Me Puzzle (unit).

Again, the mapping document transparantly shows how the Jigsaw whole-school approach spirals the learning and meets all statutory requirements and more.

Sex Education

The DfE Guidance 2019 (p.23) recommends that all primary schools 'have a sex education programme tailored to the age and the physical and emotional maturity of the pupils.'

However, 'Sex Education is not compulsory in primary schools'. (p. 23)

Schools are to determine the content of sex education at primary school. Sex education 'should ensure that both boys and girls are prepared for the changes that adolescence brings and – drawing on knowledge of the human life cycle set out in the national curriculum for science - how a baby is conceived and born'.

At Long Lawford Primary School, we believe children should understand the facts about human reproduction before they leave primary school so that they are adequately prepared for their journey into KS3 Curriculum, wider society interactions and how to keep themselves safe.

We define Sex Education as understanding human reproduction.

We intend to teach this as part of the statutory science curriculum as well as part of the PSHE curriculum.

Parents' right to request their child be excused from Sex Education

"Parents have the right to request that their child be withdrawn from some or all of sex education delivered as part of statutory Relationships and Sex Education"

DfE Guidance p.17

At Long Lawford Primary School, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the 'Changing

Me' Puzzle (unit). We conclude that sex education refers to Human Reproduction, and therefore inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this i.e. the Jigsaw Changing Me Puzzle (unit) e.g.

Year 4, Lesson 2 (Having a baby)

Year 5, Lesson 4 (Conception)

Year 6, Lesson 4 (Conception, birth)

The school will inform parents of this right by newsletter, to be sent out in the Spring Term before the "Changing Me" Puzzle is taught.

Monitoring and Review

The Performance and Standards Committee of the governing body monitors this policy on an annual basis. This committee reports its findings and recommendations to the full governing body, as necessary, if the policy needs modification. The Performance and Standards Committee gives serious consideration to any comments from parents about the PSHE (RSHE) programme, and makes a record of all such comments. Governors scrutinise and ratify teaching materials to check they are in accordance with the school's ethos.

Equality

This policy will inform the school's Equalities Plan.

"Schools should ensure that the needs of all pupils are appropriately met, and that all pupils understand the importance of equality and respect. Schools must ensure they comply with the relevant provisions of the Equality Act 2010 under which sexual orientation and gender reassignment are amongst the protected characteristics...

At the point at which schools consider it appropriate to teach their pupils about LGBT (Lesbian, Gay, Bisexual, Transgender), they should ensure this content is fully integrated into their programmes of study for this area of the curriculum rather than delivered as a stand-alone unit or lesson. Schools are free to determine how they do this, and we expect all pupils to have been taught LGBT content at a timely point as part of this area of the curriculum".

The DfE Guidance 2019 (p. 15)

At Long Lawford Primary School we promote respect for all and value every individual child. We also respect the right of our children, their families and our staff, to hold beliefs, religious or otherwise, and understand that sometimes these may be in tension with our approach to some aspects of Relationships, Health and Sex Education.

For further explanation as to how we approach LGBT relationships in the PSHE (RSHE) Programme please see:

'Including and valuing all children. What does Jigsaw teach about LGBTQ relationships?'

Policy Review

This policy is reviewed annually.

	Signed Headteacher	Signed Chair of Governors
Date of review:		
September 2020		
Date of next review:		
September 2021		

Jigsaw PSHE documents needed to explain this policy:

- Jigsaw 3-11 and statutory Relationships and Health Education (mapping document)
- Including and valuing all children. What does Jigsaw teach about LGBTQ relationships?

Relationships Education in Primary schools - DfE Guidance 2019

The focus in primary school should be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults. The references R3/H5 etc can be cross-referenced on the Jigsaw mapping documents and Puzzle Maps to show which lessons throughout Jigsaw contribute to which statutory outcomes. All statutory outcomes are covered in the Jigsaw 3-11 Programme.

The guidance states that, by the end of primary school:

	Pupils should know	How Jigsaw provides the solution
Families and people who care for me	 R1 that families are important for children growing up because they can give love, security and stability. R2 the characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives. R3 that others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care. R4 that stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up. R5 that marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong (Marriage in England and Wales is available to both opposite sex and same sex couples. The Marriage (Same Sex Couples) Act 2013 extended marriage to same sex couples in England and Wales. The ceremony through which a couple get married may be civil or religious). 	All of these aspects are covered in lessons within the Puzzles Relationships Changing Me Celebrating Difference Being Me in My World

	R6 how to recognise if family relationships are making them feel
	unhappy or unsafe, and how to seek help or advice from others if
	needed
Carina	. D7 how important friendships are in making up feel happy and coours
Caring friendships	R7 how important friendships are in making us feel happy and secure, and how people choose and make friends
menasinps	 R8 the characteristics of friendships, including mutual respect,
	truthfulness, trustworthiness, loyalty, kindness, generosity, trust,
	sharinginterests and experiences and support with problems and
	difficulties
	R9 that healthy friendships are positive and welcoming towards others
	and do not make others feel lonely or excluded
	R10 that most friendships have ups and downs, and that these can
	often be worked through so that the friendship is repaired or even
	strengthened, and that resorting to violence is never right R11 how to recognise who to trust and who not to trust, how to judge
	when a friendship is making them feel unhappy or uncomfortable,
	managing conflict, how to manage these situations and how to seek
	help and advice from others, if needed
Respectful	R12 the importance of respecting others, even when they are very
relationships	different from them (for example, physically, in character, personality
	or backgrounds), or make different choices or have different
	preferences or beliefs
	R13 practical steps they can take in a range of different contexts to improve or support respectful relationships
	R14 the conventions of coutesy and manners
	R15 the importance of self-respect and how this links to their own
	happiness
	R16 that in school and in wider societythey can expect to be treated
	with respect by others, and that in turn they should show due respect
	to others, including those in positions of authority
	R17 about different types of bullying (including cyberbullying), the
	impact of bullying, responsibilities of bystanders (primarily reporting
	 bullying to an adult) and how to get help R18 what a stereotype is, and how stereotypes can be unfair, negative
	or destructive
	R19 the importance of permission-seeking and giving in relationships
	with friends, peers and adults

Online relationships	 R20 that people sometimes behave differently online, including by pretending to be someone they are not. R21 that the same principles apply to online relationships as to faceto-face relationships, including the importance of respect for others online including when we are anonymous. 	All of these aspects are covered in lessons within the Puzzles • Relationships
	 R22 the rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them. R23 how to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met. R24 how information and data is shared and used online. 	Changing MeCelebrating Difference
Being safe	 R25what sorts of boundaries are appropriate in friendships with peers and others (including in a digital context). R26 about the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe. R27 that each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact. R28 how to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know. R29 how to recognise and report feelings of being unsafe or feeling bad about any adult. R30 how to ask for advice or help for themselves or others, and to keep trying until they are heard, R31 how to report concerns or abuse, and the vocabulary and confidence needed to do so. R32 where to get advice e.g. family, school and/or other sources. 	All of these aspects are covered in lessons within the Puzzles • Relationships • Changing Me • Celebrating Difference

Physical health and mental well-being education in Primary schools - DfE Guidance

The focus in primary school should be on teaching the characteristics of good physical health and mental wellbeing. Teachers should be clear that mental well-being is a normal part of daily life, in the same way as physical health.

By the end of primary school:

	Pupils should know	How Jigsaw provides the solution
Mental wellbeing	 H1 that mental wellbeing is a normal part of daily life, in the same way as physical health. H2 that there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations. H3 how to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings. H4 how to judge whether what they are feeling and how they are behaving is appropriate and proportionate. H5 the benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity on mental well-being and happiness. H6 simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests. H7 isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support. H8 that bullying (including cyberbullying) has a negative and often lasting impact on mental well-being. H9 where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental well-being or ability to control their emotions (including issues arising online). H10 it is common for people to experience mental ill health. For many people who do, the problems can be 	All of these aspects are covered in lessons within the Puzzles • Healthy Me • Relationships • Changing Me • Celebrating Difference
