

# Entry and Exit Plan – v6 (April 2021)

When dropping children off for school, please **follow the one way system**. Enter from the park gate and leave by the carpark gate or new side gate. The children will need to be dropped off at their allocated door **at their allocated time**. Please don't arrive early and wait. Children can be **accompanied by 1 adult** who must be **symptom free**. Children in Y5 and 6 can walk in from the park gate alone if the parent is happy with this. If you have children in Reception *and* other year groups, please drop the children in Reception to their class **LAST** (even if this makes the reception child a few minutes late to their class). Please leave a **2m gap** between other families when walking past each other. **Adults are not permitted to enter the school building. Adults must not gather on the playground or around the school gates.** **The path past the portacabin is now CLOSED but a new side gate has been installed for EXITING ONLY.** Once you have dropped your child to the allocated door, please promptly leave school site.
