

Long Lawford Primary School

Love, Learn, Persevere and Succeed

10th June 2022

Welcome to our fortnightly newsletter. We have had a fantastic first week back after half term!

We are really excited for the year 6 children (and staff!!) that are going on their residential trip next week. We can't wait to share their experience with you all.

The Jubilee celebrations we held in school on the Friday we broke up for half term.....was AMAZING! The school was full of excited children and staff and the atmosphere was just wonderful. We sat as a whole school outside and enjoyed a feast fit for a Queen!

We have received a lot of sponsorship money in and are hoping to get it all counted as soon as we can. As soon as we have a total amount we will share it with you all.

Love, Learn, Persevere, Succeed!

A message from Mrs Stringer

Welcome back to the final half term of this academic year! We have lots of fun things planned (including some leavers' celebrations!).

We had a great time before half term celebrating the Platinum Jubilee, and we have posted a video on social media to share what we did.

We are still collating Sponsored 70s money, so if you have any money at home, please send it in ASAP—half of the money will go towards school funds and half will go to a charity chosen by school council.

Online Safety

Talking regularly with your child is the greatest tool to help keep them safe online. Talking regularly and making it part of daily conversation, like you would about their day at school, will help your child feel relaxed. It also means when they do have any worries, they're more likely to come and speak to you.

But it can also be easy to become overwhelmed with the different technology, the language that children use, the huge number of games and apps which are available and the potential risks.

LLPS

Sports Day

We are planning to hold our 'Sports Days' on the week commencing 27th June. There will be a sports day on everyday of that week. We are hoping to get the dates/day for each year group to you by next week.

Please ensure your child wears sun cream to school, the weather is still very unpredictable at the moment so we advise a rain jacket in their bag as well.

People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction.

If someone has a nut allergy it is not just eating nuts that can cause a severe reaction. Being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger an allergic reaction. This can cause breathing and swallowing difficulties. Children with allergies to tree nuts and/or peanuts can have an allergic reaction through contact, airborne particles and/or ingestion. Therefore, we need to ensure that we make every effort to reduce this risk.

First aid staff in the school are trained to use Epi-pens (an injection of adrenalin) which are required immediately if this happens.

Therefore, we need to ensure that we make every effort to reduce this risk. So, we need to remind you that **WE DO NOT** allow nuts or nut products within our setting for snacks, in lunch boxes, or treats. These **MUST NOT** be sent into the school for the safety of ALL. This includes products such as cereal bars with sesame seeds, nuts, peanut butter, or chocolate and hazelnut spreads such as Nutella.

Thank you for your continued support in keeping our children safe in school.

Respectful

Term Dates 2021 /2022

Tuesday 5th July-Teacher Training Day
(school closed to children)

Last day of term—Thursday 21st July

Summer Holiday – Friday 22nd July
(School Closed)

We ask that all parents and carers ensure they do not use their mobile phone whilst on the school site. We understand that sometimes there may be an emergency, but please, as a rule, do not use them whilst dropping off or collecting your child/ children. Thank you
