A message from Mrs. Stringer -

We come back to a new academic year at Long Lawford Primary School!

I hope you had a restful summer break and that you are looking forward to the new academic year.

Over the summer, we have continued with the improvements to our school environment. Our Early Years outdoor area has had a revamp, which we are really pleased with! We've refurbished the KS2 girls' toilets, installed a new disabled toilet and the roofing works are almost done!

We are looking forward to what this academic year will bring.

We were saddened to learn of Queen Elizabeth II passing this week. We offer our heart-felt condolences to the Royal Family at this time and our school will observe the period of mourning.

**Reminder:** We always have good quality preloved uniform available at the school. Please contact us if you need any.

### **Attendance & Punctuality**

The national primary school attendance figure is 96%. I hope you will support us in achieving this figure. Regular school attendance is very important.

Long Lawford Primary School will resume regular attendance monitoring, supporting families with attending school regularly.

As always, if you have any questions or concerns, please speak with your child's class teacher, or send an email to:
